DON'T MISS THE SJCCA INDOOR FLEA MARKET!!

Once a month throughout the summer, the Civic Center will hold an indoor Air Conditioned market for the community.

Here's how it works:

- 1. We provide tables and Air-Conditioned space for \$15.00 (just \$10.00 for members).**
- 2. You bring down anything you want to sell – crafts, garage sale items, collectables, veggies, plants.**
- 3. You keep the money!**

**Current plans call for Indoor Sales on
Saturday, June 26**

Saturday, July 24

Saturday, August 28

Saturday, September 25

Sales hours are 7:30 to 10:30 AM. If you're not selling, come on down and shop in Air Conditioned comfort!

Call Cindy Bickford @ 282-9478 for reservations or more information.

P.S.: Did we mention the space is Air Conditioned! ?

Hobby Club

I don't have any recent news from the Hobby Club but I'm sure the fingers are flying every Wednesday morning. If you don't belong already, drop by any Wednesday morning to join the fun and learn what's really afoot on the Island!

Consciousness – that annoying tome between naptime and bedtime

New Century Club Members

A big **thank you** to new Century Club members:

Jim & Verdena Dolph
Happy Islander Bridge group B
Rose Dekker

Any donation is appreciated but we suggest \$100 because that's about what it costs, on average, to keep the Association facilities open and available for one day of the year.

I don't suffer from insanity. I enjoy every minute of it!

Help Still Wanted!

We are still looking for those brave souls who will step up and take over the Rummage Sale efforts, starting with the Fall Festival. I'm sure Jim and Naomi will be willing to provide advice and comfort as needed. Folks, the rummage sale and breakfast bring in well over 10 per cent of our annual budget. Put another way, we would need to raise dues by \$10 per member per year to replace the rummage/breakfast income. **Think on it!**

Being over the hill is a lot better than being under it!

Get Yer Scootin' Boots On!!

Starting in November, Rudi Rivercomb will be teaching line dancing Sunday evenings from 4:00-5:30 PM YEE_HAW!!

I'm not a complete idiot – several parts are just missing.

Don't Forget to Lock Up!!

We've had several instances recently when people have arrived at the Center to find at least one door unsecured. Please take the time to check all the doors as you leave, not just the ones you personally opened.

What might happen If there were a "none of the above" line on every election ballot choice??

Editorial: It seems odd to be writing this from Ohio in the summertime. I didn't realize just how much I shifted gears between the Florida and Ohio lives (once I remembered where the light switches and silverware were, of course).

There is the usual list of "while you are up here, Dad, could you...?" "stuff. The rabbit hutches are already done, some rewiring and "minor" plumbing are on the agenda and a patio roof is still in the discussion stage. And my son and I will leave this weekend for Canada to save central Ontario from Walleye and Pike overpopulation.

We do keep up with Saint James via the internet and Eagle. The Flea Market sounds like a great idea, worth continuing, perhaps combined with a Big Breakfast?
